SENIOR CLASS HISTORY

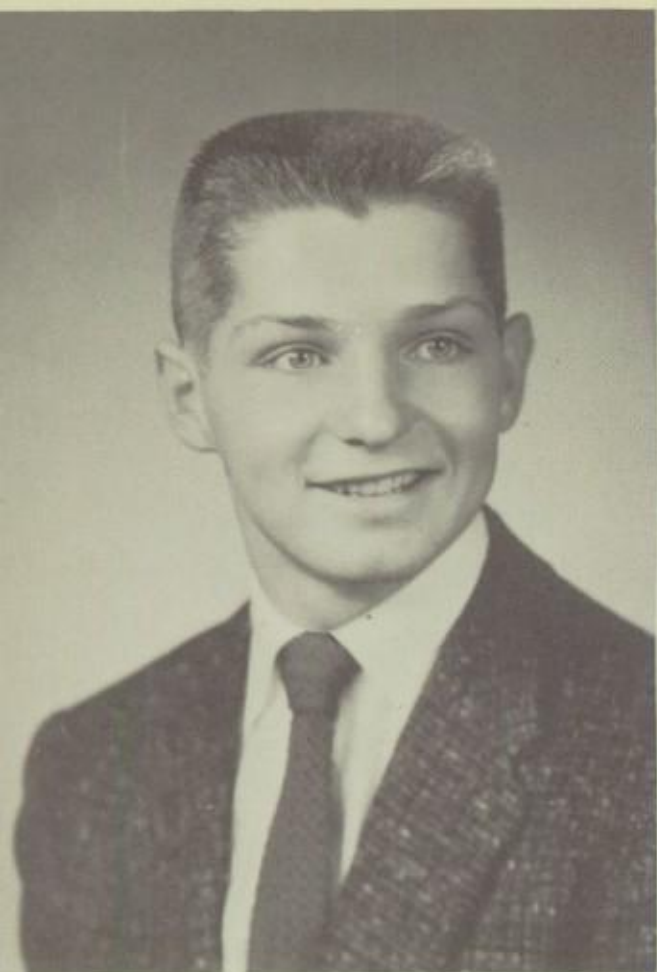

The class of 1958 started its high school career in September 1954 and for four years shared friendships, work, enjoyments and accomplishments together. Under the guidance of Mr. George Perry and Miss Leonora Guinazzo, class advisors, the baby gophers elected the following officers: President—Bob Parsons; Vice President—Pat Kirkpatrick; Secretary—Virginia Koon and Sergeant-at-Arms—Bob Esler. The freshman officers performed the traditional trophy polishing under the helpful guidance of the upperclassmen. The Freshman class had a party and reception for the parents. They sponsored the Hoop Hop in honor of the freshman basketball team and then the baby gophers also had their freshman party, Cotton Capers.

Guiding their sophomore classmates through the 1955-1956 year were: President—Pat Kirkpatrick; Vice President—Ken Landgraver; Secretary—Mary Hering and Sergeant-at-Arms—Mike Gillard. At the annual sophomore party, November Nocturne, Jackie Grouse and Mike Vawter were crowned King and Queen. Bonnie Bachelder was chosen Sophomore Princess of the Basketball Dance. Activities of the year included Spring Fantasy, the sophomore party; The Baby Gophers Ball in which the sophomores welcomed the freshmen and finally the activities of the year were completed by serving for the Junior-Senior Prom and by decorating for Baccalaureate.

When Miss Guinazzo left Gresham High School in the junior year, Mrs. Alberta Fogdall became the class advisor with Mr. Perry. In 1956-1957 the juniors elected their officers: President—Mike Vawter; Vice President—Dick Ramsey; Secretary—Mary King and Sergeant-at-Arms—Bobbie Willoughby who led the juniors through a very successful year. In April the juniors staged "The Boarding House Reach", a comedy, which starred Dave Cayton and Thad Henderson and which was successfully directed by Mr. Merle Frizell. The Junior-Senior Prom "Underwater Serenade" under the general chairmanship of Mike Vawter was a big success. The Juniors also served at the Senior Banquet.

During 1957-1958 as the leaders of the school, the seniors elected: President—Jerry McKittrick; Vice President—Mike Gillard; Secretary—Mary Hering and Sergeant-at-Arms—Skip Pringle. The senior play "For Her Che-i-lds Sake" or "Her First False Step" was a tremendous success. It was a melodrama which featured oleos between acts and starred Terry Riddell as the villain and Beverly Bristow as the heroine. The play was directed by Mr. Merle Frizell. The latter part of the year seniors were occupied with preparations for the Senior Banquet, the Senior Party and Commencement. This was the busiest, best, and final year for the class of 1958 as they prepared for the climax—commencement exercises. With their eyes on the future, and their minds full of wonderful and fond memories of happy experiences at Gresham Union High School, the class of 1958 ends its high school career.

ROMAN DINNER

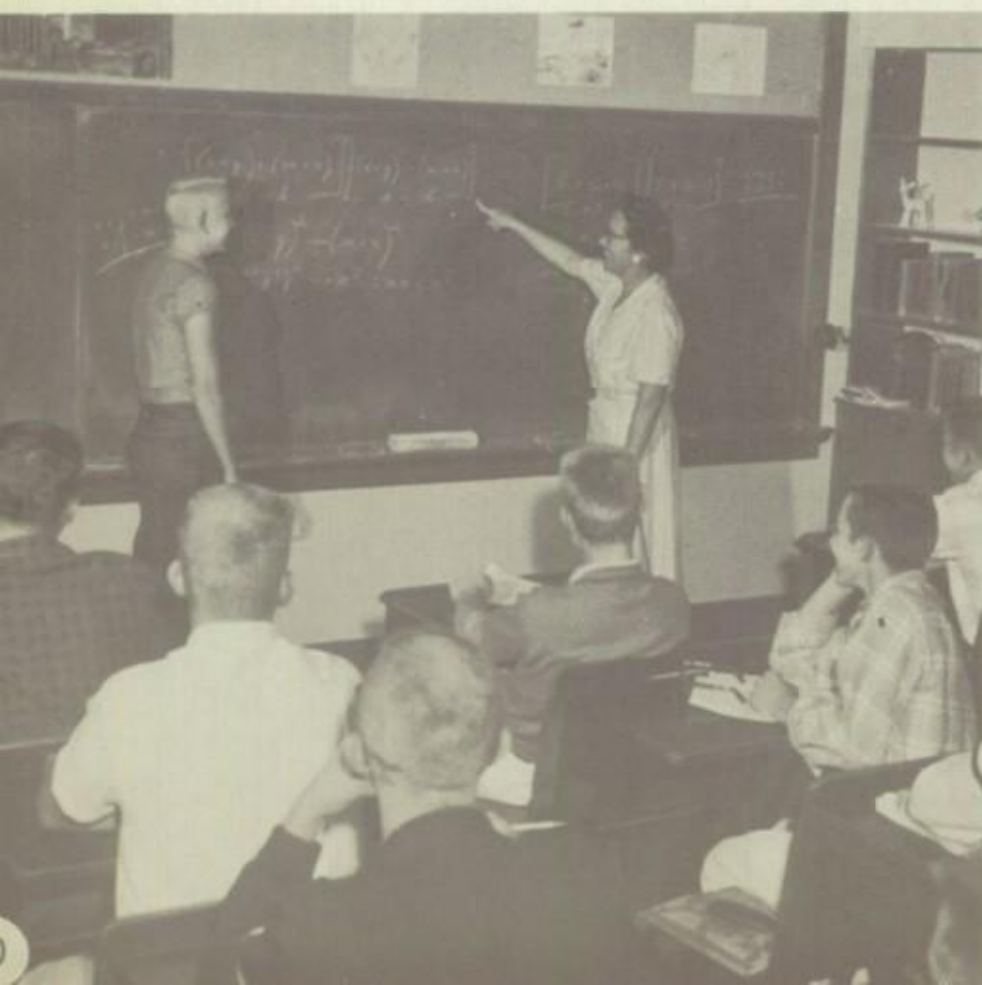

ACADEMICS

SCIENCE

Here we are again. Another year of broken test tubes, worms, and unsolvable problems is over, much to the students relief. The science and math department are very adequate. They offer a four year major—General science, biology, physics, chemistry; Algebra I and II, Plane Geometry, Algebra III and Trigonometry, and Solid or Analytical Geometry.

S O C I A L T U D I E S

For the students who are interested in the world and its whens, where's, and how's, Geography and World History, with advanced classes in both subjects, are offered.

For the United States history and the up to date problems that face our country, United States History and American Problems is given each student.

ENGLISH AND LANGUAGES

The English department at Gresham is sufficient. A student is given years of English, which helps prepare him for future life, even if he does not intend on furthering his education.

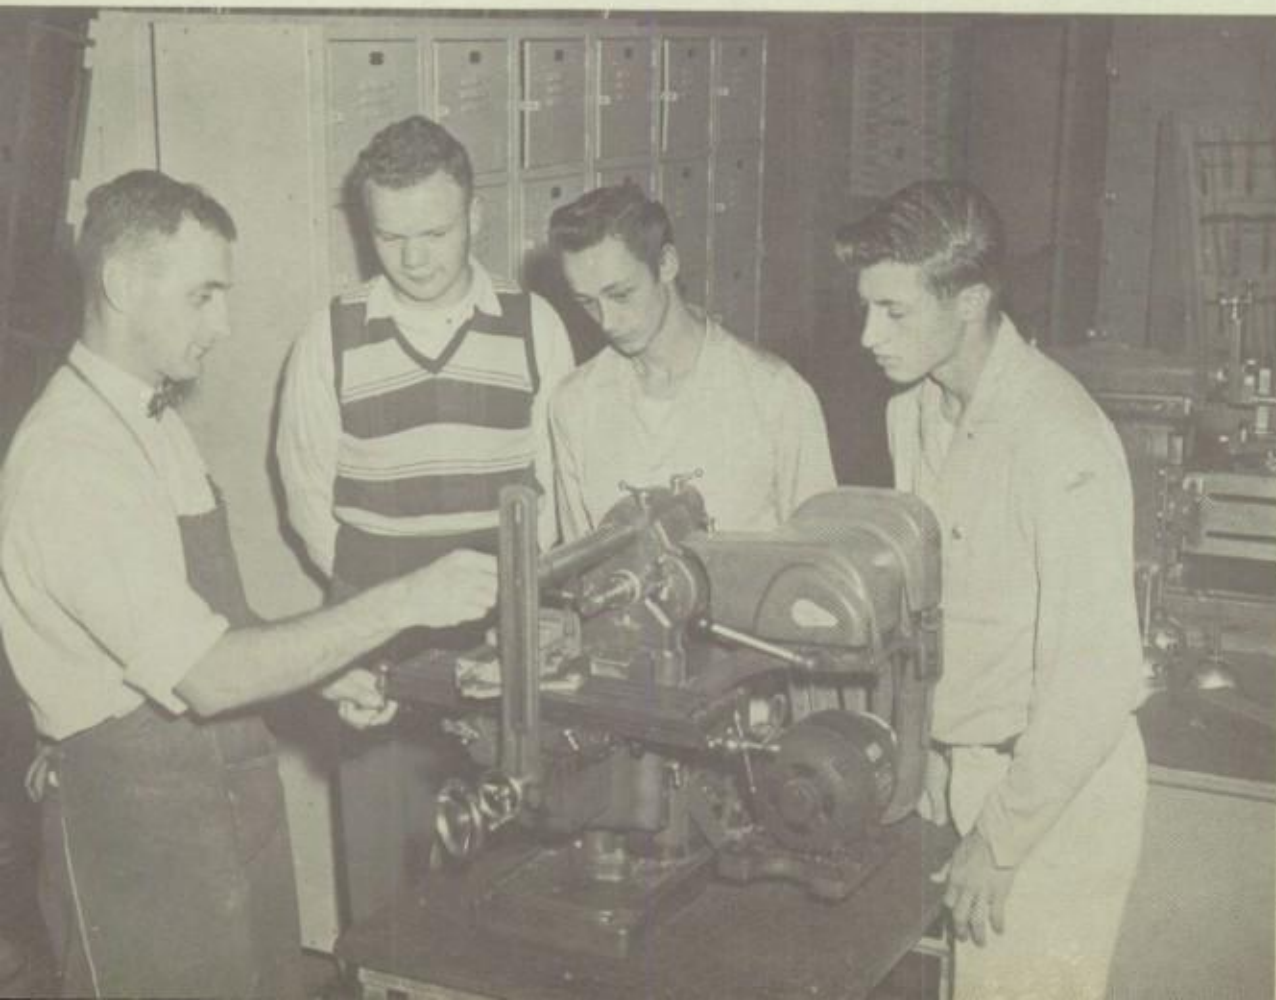

The students of Gresham also are offered three languages—French, Spanish, Latin.

MANUAL ARTS

ops, I broke another dish!"—"Hey, you put the nail in the wrong place!"
 are the cries from some of the students in the Manual Arts department.
 s department offers metal shop, wood shop, arts and crafts, freehand and
 cal drawing to people who are adept with their hands.

Marilyn,
 It has been neat
 knowing you last year
 so, but I wish you were
 a little younger or I was older
 something. I hope I will see
 you again this summer ~~and~~ sometime
 hot of luck in the future.
 Kar
 McClure

Marilyn -
 Lots of success and
 I hope you have a lot of
 the fear of the hard in
 the beginning of knowledge. Please!
 Gordon Hatter

Marilyn,
 The girl with blond hair,
 Who sits in a nearby chair.
 Next year she won't be there;
 But next year the kids won't care,
 Because in your place will be someone new,
 And believe it or not,
 And you really ought;
 History class will go on without you.
 But even so,
 I at least hate to see you go.
 J. Jamison

Dear Marilyn,
 It's been fun knowing you
 these past (?) years. I wish
 you all the luck in the world
 in future years, and in college.
 Love as always,
 Carolyn Johnson.

We sure had fun in study
 hall this year!
 Well I guess I won't see
 you anymore after the year
 is over because you are graduating
 this year (I think I wouldn't do
 well I don't do anything I after me!
 but if you do name it after me!

STUDENT COUNCIL

Under the capable leadership of Mike Vawter, Student Body President, and Mr. Dahl Blauvelt, advisor, the twenty-one membered Student Council achieved many things in the 1957-58 school year. Many of the members were sent as delegates to various Student Government functions such as the three Region III Student Council Conferences, the State Student Council Workshop in Eugene, the Portland Area Junior Traffic Safety Council, and the Oregon Youth Code Conference.

This year the Gresham Student Council sponsored an all day leadership workshop with David Douglas High School invited as guests. Reports from both schools said that it was both educational and enlightening as to the way Student Government is run.

For the third year the Gresham Student Council and the Central Catholic Student Council sponsored the trash clash. Once again the rivalry ran high but, alas, after being victorious for two years, Gresham's Gophers fell to the determined Central Rams.

To end the school year, the Student Council and the National Honor Society sponsored a dance.

ACTIVITY NIGHTS

Activity Nights, sponsored by the Gresham Union High PTSA, are in their second successful year. These fun nights present the students with the opportunity to spend a friendly social evening with classmates and alumni. A well planned agenda provides for a variety of entertainment: dancing, ping pong, volleyball, and basketball.

UNDERCLASSMEN PARTIES

Class parties give the students the opportunity of becoming better acquainted with the students in their own classes and offer an evening of games, dancing, entertainment, and, of course, refreshments. Class committees go "all out" to plan these affairs, and do so around such themes as "Harvest Hoe-down" and "Satellite Stomp."

EXCHANGE

STUDENTS

Rosemary is proud of her souvenirs from Norway.

The world is brought much closer to the students at Gresham by our exchange student program. Harold Sigurdsson, the exchange from Iceland to Gresham, brings us information from his native country. Three students from Gresham were exchange students this summer. Rosemary Manfull spent her vacation in Norway, while Bonnie Bachelder and Nancy Oja spent their summer in Mexico.

Harold is pictured in his American home with his family: Karlyn Akse, Ete Akse, Mrs. Akse, Harold, and Mr. Akse.

Woven baskets, bright colored skirts and blankets, and beautiful pottery are only a few of the souvenirs Nancy and Bonnie brought home from Mexico.

BOY OF THE YEAR

Mike Vawter rightly deserves the honor of "Boy-of-the-Year" Gresham High School because of his excellent background in his school service. Mike not only has held class and student body offices during his Freshman, Sophomore and Junior years in high school, but has been active in dramatics, football and basketball and has served on many committees. His senior year, he was elected Student Body President of the school and played on the Varsity Football and Basketball teams. Academically he has kept his grades up to a standard that has enabled him to be a member of the National Honor Society.

GIRL OF THE YEAR

This year's girl-of-the year, chosen by the entire student body, could have won easily on activities alone. Since her Freshman year, Ruth has been a part of the life of her school. As a member of the Student Council and Girls League Council, she received invaluable training for her job this year as President of Girls League. She has held offices in Tri-Y and Junior Red Cross and was elected Corresponding Secretary of the student body during her Junior year. Membership in Debates and a part in the Junior play round out her interests. In spite of these impressive activities, it is for her friendly smile and sincere "Hi" that Ruth will be remembered. Such an outgoing personality, backed by substantial grades and activities, make her a natural for Girl-of-the-year.

JV's SEASON

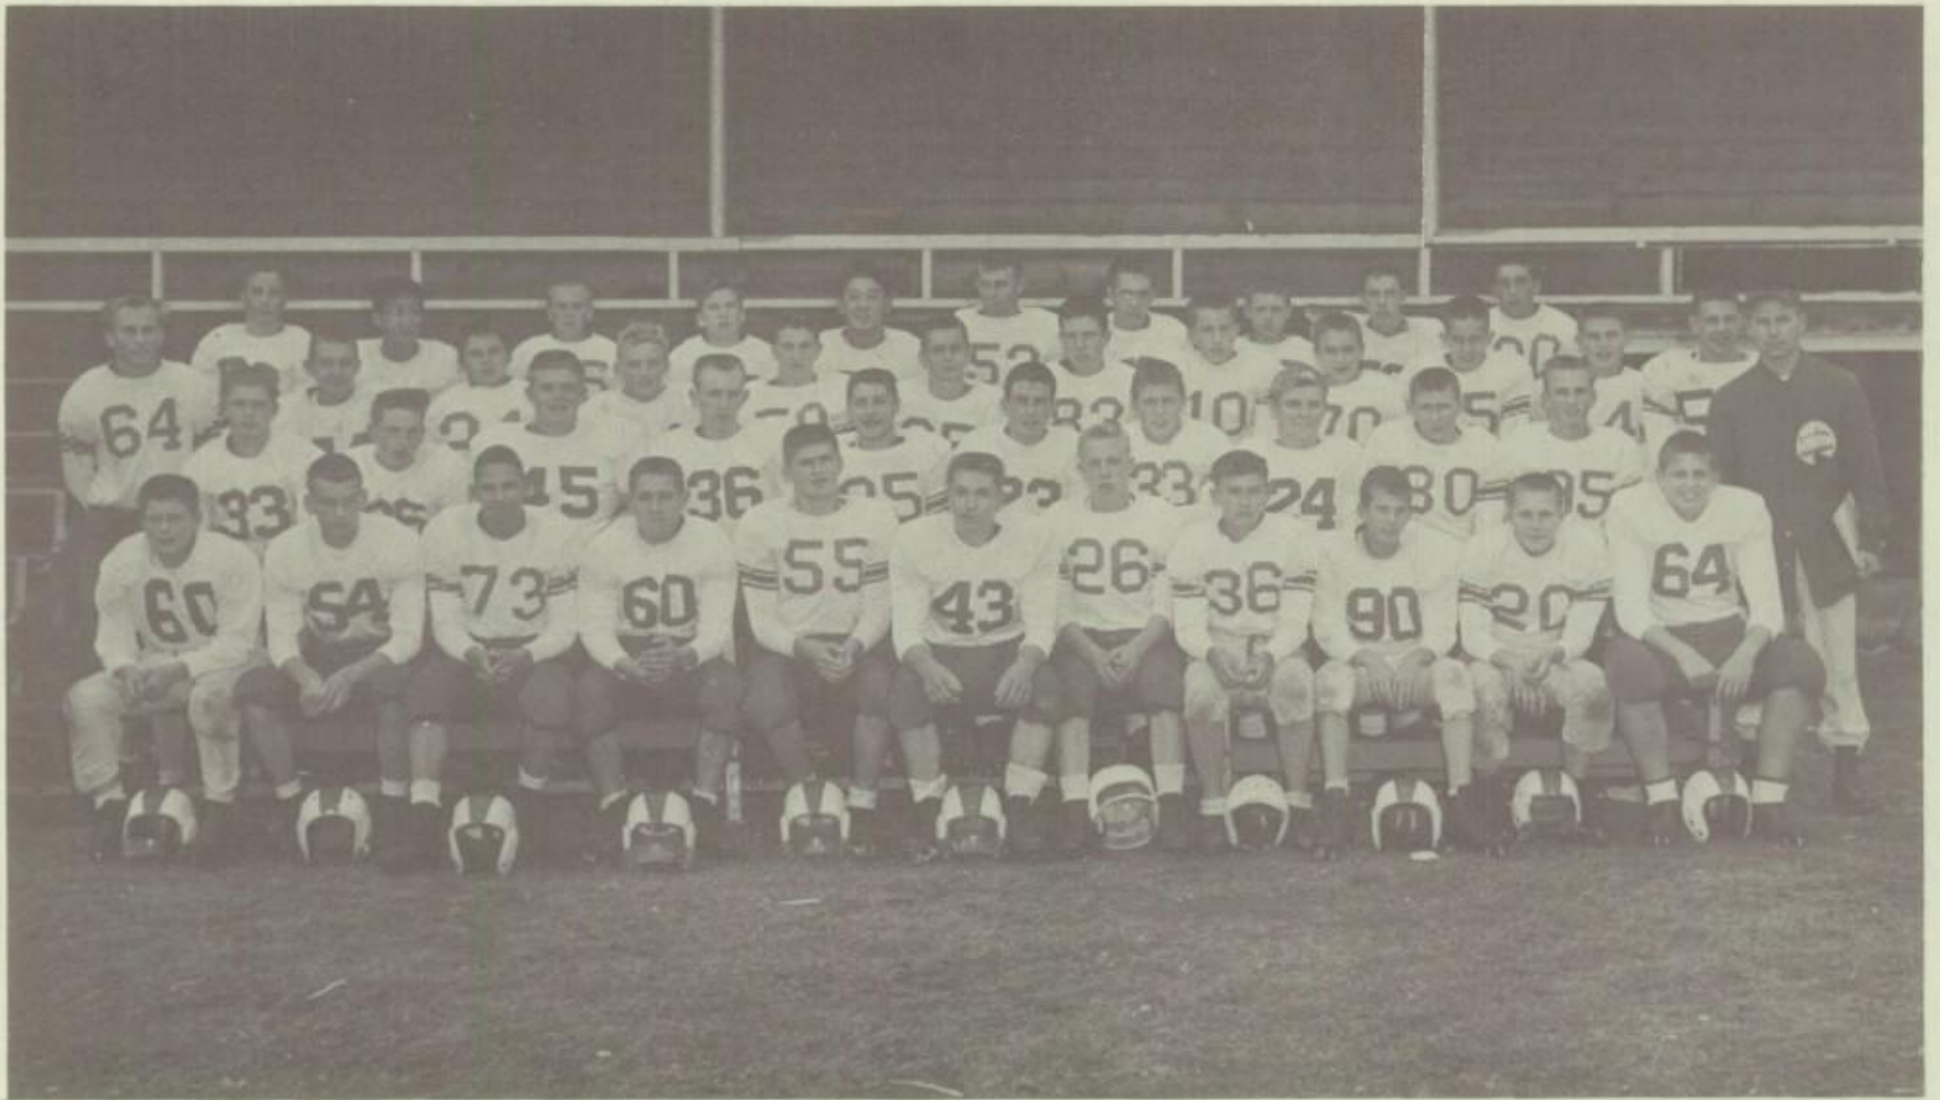

Gresham's JV's started their season in a slump, losing their first three games to Astoria, Beaverton, and Parkrose. After suffering several nights of hard practice, the Wee Gophers came back and downed the Spartans from Hillsboro High, but were pushed back into their hole by the Rams of Central. This did not bury the Junior Gophers. They climbed out to defeat Milwaukie and Clackamas High varsity and end their season with a 3 win, four loss record.

The 1958 Freshman Football team, coached by Bill Smethurst, ended their season with a 3 win, 3 loss and one tie. The wee Gophers started their season by defeating the Jesuits 26-6. They then drew a tie with Beaverton 6-all. The baby Gophers then dropped into a slump losing the next three games. The wee Gophers kept their head high and managed to roll over the Hillsboro Spartans 16-6 to close their season.

Bill Smethurst

Mr. Smethurst is ending his third year at Gresham Union High this season during which he has coached Freshman Football, JV Baseball, and Varsity Wrestling. Besides coaching, Mr. Smethurst holds down the post as full-time health and math teacher.

Varsity Basketball

Bud Monnes, varsity basketball coach, assistant varsity football coach, and director of athletics, also assumes the duties of Dean of Boys. Before becoming varsity basketball coach, he was coach of varsity baseball.

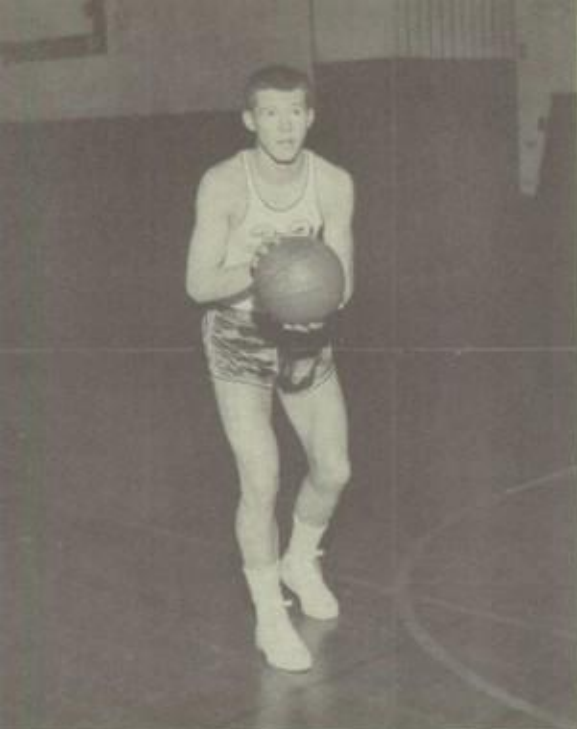

Gresham's Varsity Basketball team for the first time in a number of years ended up on the bottom of the league, winning 2 and losing 12 games. The reason was not that they were poor, it was because it was short in experience. There were four sophomores on the Varsity Squad, the tall man for Gresham was 6 ft. 2 in. Although Gresham was handicapped, they had a strong heart. High point man for Grasham was Dick Ramsey.

The players all know him, they call him by name,

I am really glad to have been able to call ^{Mr.}
you one of my best friends. I have really
enjoyed having your friendship, especially in
study hall. ^{Gillian}

After graduation, I hope we can still stay
in contact, once in awhile, with each other.
Just think, school is practically over with.

I wish for you a lot of luck in
all your endeavors. Whatever field of work
you choose, I know you will do well,
for you have the kind of personality
no one can resist. You also deserve every
good thing you ever get.

Forever your friend

 I hope you get to do every-

 only the best of luck.
 Now that you can play
 the oboe, don't forget now.
 And I'll tell Ron Stinson that
 you can.

Best always, the

Loads of luck to a real swell gal I've had loads of fun with you and I hope we can have many more nice times together. I hope you have fun at the beach and take it easy.
